

**REMARKS**

This Amendment is submitted supplementary to the previous Amendment and in connection with the interview with the Examiner.

The Examiner's highly beneficial cooperation during the interview has been gratefully acknowledged. From extensive discussion with the Examiner of the subject matter of the present invention, it has been determined that additional changes to the claims would be advisable. In connection with this, applicant has amended the claims as specified herein above.

The Examiner also indicated that a Declaration more specific to the new features of the present invention would be positively received by the her. In connection with this, the Declaration is submitted herewith as well.

Reconsideration and allowance of the present application is most respectfully requested.

Should the Examiner require or consider it advisable that the specification, claims and/or drawings be further amended or corrected in formal respects in order to place this case in condition for final allowance,

then it is respectfully requested that such amendments or corrections be carried out by Examiner's Amendment, and the case be passed to issue. Alternatively, should the Examiner feel that a personal discussion might be helpful in advancing this case to allowance, he is invited to telephone the undersigned (at 631-243-3818).

Respectfully submitted,
